

EXPORT INFO

Due to increased documentation requirements, the German tax authorities now demand the following documents and information for exports to EU member states:

- Complete and accurate company address, telephone number, fax number, e-mail address, indication of trade/industry and if available internet address, business card, etc.
- European VAT ID number
- Copy of trade register excerpt, trade certificate or official company certificate (e.g. from chamber of commerce)
- Passport copy of the owner / partner / managing director
- If applicable, original collection authorization signed by the managing director, if possible with stamp, for the driver collecting the goods.

A deposit in the amount of the VAT is due for each export transaction. You will receive this back from us if we receive the following documents back from you afterwards:

- Correctly filled out confirmation of receipt
- Copy of foreign registration papers
